"Camp Celebrate was a place of respite for all of us who feel unseen, misunderstood and left out.

Camp is decorated with the love of Jesus, staffed by hearts that don't pretend to know but offer service." - A Camp Mom

CAMP CELEBRATE

FAMILY RETREAT FOR
FAMILIES AFFECTED
BY DISABILITY

"Whatever you do for one of the least of these brothers and sisters of mine, you do for me" ~Jesus

FAMILY FUN

Camp Celebrate gives families one week to do restful family activities that they may not get to do for the rest of the year. Mornings at camp are filled with age-specific programming that include singing, Bible study and small groups. Afternoons are free, with opportunities to swim, climb walls, ride horses, white water raft, play paintball, make jewelry, and get haircuts and massages.

MEETING NEEDS

At Camp Celebrate, hosted at Carson Springs conference center in Newport Tennessee, families affected by disability get the opportunity to spend time together without having to worry about many of the stressors of everyday life. The buddy system provides a trained volunteer for each individual with a disability, allowing parents and caregivers to rest in the knowledge that their loved one is being cared for.

VOLUNTEERS

In order for Camp Celebrate to be effective, an army of volunteers are needed to run programs, provide one-on-one assistance to individuals with special needs, and befriend siblings, thus allowing every family member a taste of independence and fun.
