LUKE 14 MINISTRIES

CELEBRATING
LIVES AFFECTED BY
DISABILITY

INTERNATIONAL MINISTRY

Our Wheels for Kenya program sends a team of therapists and supporters to Kenya yearly. There, they join a team of local ministers to offer hope in the form of a wheelchair, compassion, and the good news of the Gospel to people affected by disability.

Additionally, Luke 14 Ministries has helped to support disability ministry in Ibadan, Nigeria. Relationship with local organizations has allowed us to bring Luke 14 Parties to the area through short term mission trips.

banquet, invite
the poor, the
handicapped, the
lame, and the
blind."***

LOCAL OPPORTUNITIES

In April of each year, Luke 14 Ministries organizes a party patterned after Jesus's mandate in Luke 14. We invite the local community in East Tennessee to join for a day of fun and celebration! Volunteers are always needed, and we guarantee a celebration you'll never forget!

In July, Camp Celebrate brings together families affected by disability for a week of spiritual renewal, friendship, and fun. You're invited to become a short-term-missionary at camp to see the Kingdom of God like never before.
